Objektbeschreibung

On the sixth and last floor with lift (up to the fifth floor) of a Haussmann building, we offer you a three-room apartment with a surprising ceiling height, adorned with original beams and two fireplaces; bright and enriched with views over the roofs of Paris and the towers of Notre Dame. Living room with open kitchen and two windows overlooking the street, master bedroom with dressing room, bathroom and private toilet, second bedroom with shower and washbasin, a guest toilet close to the second bedroom and a service room on the fifth floor. The flat has an air conditioning system. Possibility to buy it furnished
